

Clothing Donation Guide

Well Suited for Work aims to tackle the challenges of poverty within our local community one suit at a time. Our Suiting Program is fully volunteer led and equips individuals with a professional outfit and matching accessories for an upcoming interview or new employment. Our goal is for each client to walk away from their fitting appointment with a pre-laundered and pressed outfit that can be worn right off the hanger. Please make sure that your clothing donations are clean and in good condition.
