

Get Involved!

Well Suited for Work aims to tackle the challenges of poverty within our local community one suit at a time. Our Suiting Program is fully volunteer led and donation driven and equips individuals with a professional outfit and matching accessories for an upcoming interview or new employment. Interested in getting involved? There are a variety of ways to connect with the work we do. Find the option that best fits your interests and commitment level.

Group Volunteer Opportunities:

Well Suited for Work brings together individuals, corporations, community groups, faith communities and student groups in the tackling the challenges of poverty within our local community one suit at a time. Want to spend time making a difference, while deepening your relationships with friends, co-workers and peers? Your group can help in a variety of ways including sorting donations, hosting your own clothing drive, or providing administrative support with regular mailings.

Donate Clothing:

Our Suiting Program is fully volunteer led and our inventory sourced through the generosity of donations. Make space in your own closet while equipping individuals in our community with a professional outfit and matching accessories for an upcoming interview or new employment. Please, see our Clothing Donation Guide for specifics.

Financial Giving:

Give the gift of clothing and confidence through your financial support. Our program is a donation supported ministry and all contributions are utilized to assist clients in meeting their career goals by hosting regular Dress for Success Workshops, providing new undergarments such as pantyhose and slippers, and supplementing our inventory based on specific referral needs.
